

Michael Mc Aloran

(+/-)

...was the taxed parameter of skyline breath of once intake exhale
in foreign drag of corpsal light through the vacancy of ever known
forgotten in an instanced breath haven of what which spill of the
drag what purpose final as composure stillness of eye & out of
which what fallen shards of frozen meat in cavalcade redress wild
edge of night to embrace as abattoir silences cascade throughout
as wounds to breach tear in an aftermath of solace weight of some
absolute abort it pares away the teeth of emblem lightless barren
where once shattered concrete ocular to rove throughout given
from out of solace haven dispel shadow across the gaping orifice
of spell it all out nothing of the matter lessened ever as if to collect
the bones the teeth skinned of purpose hollowed out the forage
ever as from where to breathe is to simulacrum film upon
weightless dressage where blessed terse is the fallen crux of
bestowed upon garotted sunlight asked of never once answered
stillness to breach echo-light to vertigo presence absence all called
ashore where to follow lack trace of footsteps taken through rotting
pulse bulb diameter fixed upon where pupil of to gaze in the reek
of silence where no sounds abide still-born the nothingness of
having been of being in elected to this of follow it through until
claimed a blade to the throat of exist syllabus cold shoulder have

of which echo-echo redempt nothing of the birthed what shadowing effortless to torn from the skyline of recollect fallen forage nothing ever of to measure as blind-sighted where to of the silence of never having been locked to the closed fist that pummels the else of essence spectral as cast upon a bare white wall of release the wolves the hyenic conglomeration spill of ejaculate in voidal null as if to collide where to of which seasons that drift throughout across the denuded shadowing of filament exigent collision broken bodies cold flesh as words cascade unto to drag the pregnant weight of collapse it din reclusion solace in the afterglow of meat throughout spasm upon reckless headless devour a cold wind of ever-closure open up until where to dream of is to dieth a little else of more than what structure bathes in the milk of blood a tense will obscure collects the passage of bone dice scattered as if to measure nothing as before colourless distance the obscene pulse striata of carnival haven of rot to pierce the flight from as once was in of which to collect repeats the circus phlegm spat in the face a cadaverine occult the flayed canine laughter of breathe of what will redeems says no of nothing ever of where once spoken of what lack to brace recollects the ever of what once where features of which collide never of the vital essence amphetamine shit in the veins of rapture the white of the eyes revealed a noose snares the throat of being ever from the commence until slaughterhouse landscape births one thousands butterflies razor wings ablaze in seizure none/ none of which ever transitory fallen upon the blade of the outset shears throughout where no wound closeth ever until all lights snuffed out fathom less than of what in senseless collectively fucking the lungs of haven as if to breach where to roundelay a bird in the bush neither of the hands that grip for the throat of all that once came restless light of the once undone as to utter once of the stains that collect the pelts the rat's night crusade of which bitten to the core incision marks the restless bones to vibrate in pageant lack breakage of the silt that coats the

skin of murmurs the bled sun artery rip from lapse it lung to coat
the bodily obscure of nothing ever ever none of which cleft the
sanded realms char excise a collective of footprints smeared out
by the wind's obsolete blind pare away of secretive never a trace
to build as flay what carcass ever once of haven entourage the
funereal procession of a slash-mark smile that extends from one
horizon to the other bled will out of the insanity cold sweat pasture
of to the the toothen edge aligned by bloodless covering the char
of ashen promise whereof to sing from the base whore's lungs cast
across the surgeon's table a reckless dirge of echoing of where
speech a regrettable night ever-vast to stretch from fathom none to
none of fathom where to patience of the weight until closure
orifice spray of distended blood ochre ocular kicking the dust
from the elected to this without origin the silence of never having
been a vibrate in the skull of the dead pulse shattering within the
tension surface false start begins again yet no merely of to replicate
colours the like of which a blood-stain from a lacerated limbs bare
bones to expose where bitten of colourless lapse of meat echo-
vibrate a striate of paranoical child's bones to breach where surface
align is at the nucleus of given speech dies of which in the fallen
light the dim ocular roving what matter it falls upon ever nothing
once twice nay unto follow to element scar attrition absolution no
it follows after the final carcass colouring the beauty of discoloured
flesh sings to the overture of carrion flies as hangeth all sung
forgotten never of the once till collectively fucking the night from
the ongoing sentence to bled dry as bone sudden death of absence
sky turn of will the reek of breathe non-else a spasm a roundelay
of naught redeems the surrogate fairwell it strips the blood the
harlot nocturne closure of what will seasoned to trace as the body
fades to silent rupture a razor demise where to once wrought
exigent collapse striate of once as if to collect seasoned whereof...

*(...broken emblems of eye line the sands where the bones of
breath are a tease of desire & avaricious intent an incapacity
a spurious collision of extension as skinned of weight all along it
matters little a before an aftermath a collage of sickness scattered
aloft from the lungs of given ever nothing of it as a mockery of
teeth trace violent colourings of a slaughterhouse breathe of what
nectar eyelid flung to the hyenic laughter speechless tint closure
of some other wound a breakage of vacant solace collects in haven
nothingness to carve the adroit ever to dispel mocking the wound
to a collapse of furious intent in an abort of echoing silences...)...*
