Achievement Crowning

caliper tribunals
the meat-centered domiciles
scathe a fast rebuke

*

lampoon the hollow-legged victory

*

when nominal classics greet
their grimly-scented foothold

their slow calibers trail behind
blood-thirsty legend creatures

past vigilante points of entry
blockaded to lock the raving
in a port of their own control

*

militant and slim delusions
glide spectral past their grim retrofit panels

reproach the last errata
no seatbelt worn to cover the blast
from the ravenous timing

*

home dreams an empty retinue

Inside the Rubble Room

literal escarole pudding
escaped from the pit
to fondue

the wedding skeptical
to guests leaking mileage

no fumes left to gather

*

while hunting
their crude dismay

repels every ampersand cluster in reach

no lesson goes
untaught for polish or scent

*

a shortage
montage scholar deficits

Outsiding

collegial snickers
the stained invective foresworn
alleviates
 tonsillectomy habits

 a breeding

stitch the tatter

 invokes

 *

social oscillation
patterns a scallion's rapture
no recourse
 to the present

anomaly precursor foregone

the haunted vegetation
flush against the rendered sink
a solo forest in the wash

elucidation past caring

 or hearing

 plaintive additions
 a slow retreat
beaten past the primal

 current
 blood

a slow determination flows

Socially Transmitted Unease

anti-bacterial mission goes viral

*

at the sunset lounge
the plants decayed the bent
of the memory questers

lost
in a sea
of missing
legends gone urban

or
fading to oral

bug fashions breed
pursuit for conduit tensions
canker levity patches

suite as dead ears burn
grim resignation tents inferred

sentient venting
gender passage

inclined release
deferral pent
up and down the lateral wagon

Viewing Widely

a food turban
flaunting retinal implication
stirs rudening
renown, a reputation

as skewered
and skewed under chance
or
any
sentient chandelier

an inquiry into delirium
as praxis
modern assured compliant

seating animus sated
from behind throttle

full gasket
a bore to listen to
quenched

the worst amity pittance ascribed

to glory factoid
or
primal rumor

eyes told to head at rest
a barrier implication, pronoun receding
astonishment
a reputation for
tectonic dimension
when the cornucopian gaze
unfolds

again, the uproar
