Wander-Rooms and Outside Noise

The animal ghosts have jewelry
in their shit

and experts spent a century trying
to confuse an apple tree

Say some day full
of the eros of thanatos

of fish hinge and reverb
camouflage irony

Will the owners of the cattle
mutilations, cubicle attention

the through shot and blood trail
of the product named *naked*

please step forward?

The Keeper Makes Eye Contact

We range
the field for a lost
sea note

bottled or
otherwise
your stolen bees

won't prosper

How to Understand Evolution

Left over like a tailbone

the wind stole the notes

for this section

Whole ones & sharp quarters

with those sweet hats

Try to think more

like a kite on fire

We're halfway there

Penned In Perennial

anyone acrobatic enough

in the social box

tethered

to an engine faking

the wind

we all owe ourselves money

Wander-Rooms and Outside Noise

More than ready to animal

to hero through the praise

delivered as blame. That tea

bag figure zeroes and zeroes

And that pallet of missing money?

It's in the hiberallucinatory

whiteness with the interactive

penguin toys. Go, give it a go

Penned in Perennial

we're on both ends of the pitchfork

each morning every street

we all noticed the sky at once

The Keeper Pulls Back the Daily Level

The first fern is
food
musical, add oil
give

a little anthem
gristle
all through
Wyandot

Whiskey Nice

unicorn on the cob
