upon withered escalator you slow strut prance wild
one man's "fearful cattle will ruin my garden" is another's
intuitive trash entry your agitated cackle confirms
to me this is both riotous configuration & inappropriate
kill flannel mouth acted like it was all cream gravy put
everything on a lick & promise softened down with
any skunk cabbage-----got
flash that-----grin sensor-----rush-of-ache wouldn't acknowledge The Corn do
your job explain what's vague in metro's grip
adjacent grassland *blue red thumbs up down* whispered
jumble of local national international news suggests
small drill scrappy elegiac at the crux of this
fertile mandate before this
time another month we
shall be unable to
ascertain who is
being tested against
what hunters synchronize their unmusical rattle but i am huddled
together east of law off-season gleeful my
teeth ratified in yellow

thrust brute your mindset like cement never coming back can't
sleep tonight drab upstate sensitive cruising upon occasions such
as these helps tufted lessers like me red river rosy sky minus banquet got
on well wonky healing kept hammering waterline in response
to intestine taking his seat at the table's head was indifferent at the vortex
of confused receptions upon my own dung hill found it hard to give things
names difference negligible between blizzard 'n' blur took an-oh-be-
joyful went white as day
at midnight snigger chortle

dopey hunched pose not
indicative located
me flapping & *scattered my rot* to each
corner of degraded grassland foaming rotation keep your
tongue behind
your teeth my knife
away from my
face nothing in remedied in sultry alluring
pyrotechnics all colors snagged upon
crestfallen slope straw me a pillow

but it would eat into xbox

like it took root on the big day
so i won't slowed tape
forward again freeze courtship
stripped mute severity field
tests my winter range pop skull
crazed odd sticks dodging lifelines
motivation enough didn't
meticulously wander off was tied
to a business of ferrets at the tip
of the fade duplicator

urban center don't care is it because i have
the audacity to display distinctive blue markings spread
over my head? raw obligation stuff totally
in the wrong ocean over spilling pink from
aggressive sliding purple reds do you know what
i am craving? nothing quite in its usual
functional
spot even months into
capped noon crown-of-throat won't
what irritation triggered blushing in cake
central no explicit game plan don't want
to tempt bait *we're all in the same*
bait recall avocado grass emerald i stuck
bits of fern to it until crowd
rose as one chanted
my address you are fresh encased in
silver foil suggesting this is
screaming downtown bright sloppy however if fuck-thud dents

more like watching some cult initiation video than reading a poem

intricate blend of gulps clicks
stomps something about
government episodic
impractical milking kind of
belief system that might weave teeth bread swallowed
soaked in water vaccine
to such indiscipline *thick chunks these* would
it be too
much to ask complex
pulsating song is well &
good but not a
whole forest-a-fire might disrupt this
strangle there's going
to come
a point when
I'll eat candles & all
available light shall rake across this
